INFORMATION FOR NEW ENGLAND STATES CHAPTERS

WHAT IS THE CMA?

We are a non-profit evangelistic outreach to the motorcycling community. The backpatch we wear identifies us as a group of people who like to ride motorcycles with a purpose in mind. "Riding for the Son," the words that surround the patch, mean that we have found a greater reason to ride. His name is Jesus Christ. Our purpose is to share His love and forgiveness with motorcyclists **one heart at a time**.

Local chapters of the CMA encourage members to be active in their testimony and to be God's witness in word and deed. They also provide Christian riding fellowship while supporting the CMA National ministry effort.

MEMBERSHIP & CMA INTEGRITY

CMA membership is open to all who confess Jesus Christ as their personal savior and Lord. There are no other requirements for becoming a member. It isn't necessary for you to own or even ride a motorcycle. If you would like to become a member of the CMA and wear the CMA back patch, you will need to complete a Ministry Team course.

MINISTRY COURSE

Designed to help new members understand the commitment needed to minister faithfully and effectively through a motorcycling ministry, this course will give you insight on how to use the talents you possess and how to maintain the integrity level that is expected of a CMA member. The course does not teach skills but rather gives instruction on how someone may recognize an opportunity to show the love of Jesus through a service rendered.

STATE / LOCAL ACTIVITIES

Besides chapter meetings and fellowship rides, CMA members attend various types of motorcycling events for the purpose of sharing God's love. State rallies are hosted by chapters across the country and members participate in these, as well as in regional and national rallies. They are designed to minister to the entire family and they offer great rides, music, bike games, local activities, and opportunities for ministry and fellowship. The messages given by the Regional Evangelist encourage believers in their personal walks with Christ and challenge them to continue to grow in their knowledge of God. CMA's *Seasons of Refreshing* conferences offer more in-depth teaching about CMA's goals and vision for the coming year. In all of our activities, the heart and soul of CMA remains the same: one motorcyclist going out to share the Good News with another.

RUN FOR THE SON

This event, always held on the first Saturday in May each year, raises funds to meet the transportation needs (motorcycles, horses, bicycles and boats) of native pastors (through Missionary Ventures) and provide bibles (through Open Doors), both in foreign countries; to support the Jesus Film Project and for the evangelistic outreach to motorcyclists in the states. Funds raised are not used for administrative costs or staff salaries.

Prior to the Run, CMA chapters seek friends, family, churches, local businesses and others to sponsor them in the 100-mile ride by contributing a designated amount of money per mile towards the Run for the Son goal. Christian fellowship and witnessing for the Lord are emphasized, and people also share what God is doing through the CMA ministry.

THE MESSAGE WE TELL OTHERS

God loves us so much that He sent His Son Jesus Christ, to die on the cross as payment for sin. He knows that "all have sinned and come short" of what he wants us to be; we have turned away from God. He knows that "the wages of sin is death" and that without forgiveness of our sins we will be forever apart from Him. Our good works cannot earn forgiveness or pay for our sins. That's why "while we were yet sinners, Christ died for us. If you confess with your mouth that Jesus is Lord, and believe in your heart that God raised Him from the dead, you will be saved." God will forgive your sin and your relationship with Him will be restored so that you can live the life He intended – now and forever.

This simple confession from a sincere heart can make "old things pass away and all things will become new" as your right relationship with God begins.

No matter how much you have rebelled against God's ways, it's not too late.

Wouldn't this be a good time to give your life over to Jesus for a new beginning?

Why not do it right now?!
